

PLEASE SUPPORT A

SMOKE-FREE FORT WORTH

EVERYONE IN FORT WORTH
HAS THE RIGHT TO
BREATHE SMOKE-FREE AIR.

NO ONE SHOULD HAVE TO CHOOSE BETWEEN THEIR HEALTH AND A PAYCHECK.

- Every year, **more than 41,000** people die in the U.S from preventable diseases caused by exposure to secondhand smoke.
- Workers in the hospitality and service industries, such as bartenders and wait staff, are **significantly less protected**.
- With every breath in a restaurant or bar that allows smoking, workers are exposed to **7,000 chemicals** that cause heart disease, lung cancer, and other serious illnesses.
- Breathing secondhand smoke can have immediate adverse effects on your blood and blood vessels, **increasing the risk of having a heart attack**.

IT'S TIME FOR A SMOKE-FREE ORDINANCE THAT PROTECTS ALL FORT WORTH WORKERS, INCLUDING THOSE WHO WORK IN BARS AND BINGO PARLORS.
